

# PMP Clearinghouse Quick Reference Guide

**Requirements:** Effective **2/9/22**, all CURES data reporters that currently submit prescription dispensation data to [www.aaicures.com](http://www.aaicures.com) will be required to submit through the Bamboo Health PMP Clearinghouse. You can begin registering with Bamboo Health on **1/1/22**.

**The last day for sending CURES data to Atlantic Associates, Inc. (AAI) is 2/8/22.**

**What do I need to do to submit data to PMP Clearinghouse?** Please review the options below:

- **Option 1:** If your pharmacy is a part of a chain, other pharmacies in the chain may already have an account at [PMPClearinghouse.net](http://PMPClearinghouse.net).
  - **Next step:** *Contact your corporate office to confirm if any action is needed on your part.*
- **Option 2:** If someone in your organization is already registered at [PMPClearinghouse.net](http://PMPClearinghouse.net), they can add you to an existing PMP Clearinghouse account.
  - **Next step:** *Please refer to the details in - [Adding Users to Your Data Submitter Account](#)*
- **Option 3:** If you already have a [PMPClearinghouse.net](http://PMPClearinghouse.net) account to submit to another state, you can request access to submit data to California.
  - **Next step:** *Please refer to the details in - [Adding States to Your Data Submitter Account](#)*
- **Option 4:** If none of the above options apply, you will need to create an account.
  - **Next step:** *Please refer to the details in - [Creating Your Data Submitter Account](#)*

**Note:** *The new system accepts the same submission protocols as the current process with AAI. You do not need to change your system to submit to [PMPClearinghouse.net](http://PMPClearinghouse.net) **except to change the FTP parameters**. These parameters are available in the Summary section of the [CA CURES Data Submission Dispenser Guide](#).*
